Till night doth come.
Rieme let droh x'hum.
And sweer darkness

Tumorous

Excrescence

...ooOoOoo...

I can't feel you
anymore.
I can't even touch
the books you've read.
I followed you
beneath the stars.
Hounded by your
memory.
An all your raging
glory.
But now Im finally
free.
I kiss good-bye the
Howling beast.
That separated you
from me.
You'll never know
the hurt I suffered.
Nor the pain I rise
above.
And I'll never know
the same about you.
But soon we'll be
together.
In the clasp of
OBLIVION.

...ooOoOoo...
